Special Town Board Meeting; Tuesday, August 30, 2022

**BOARD PRESENT:** Chair Tom Jacobs, Supervisors Kevin Timm and Chad Morris

**STAFF PRESENT:** Clerk Jill Murphy

**OTHERS PRESENT:** Surveyor Fred Hilby and Attorney Patrick Houlihan

**Call to Order:** Chair Jacobs called the meeting to order at 7:03 p.m. Notices were posted.

**Updates:** Due to calls and emails received yesterday on Monday, August 29 from residents voicing concerns at seeing some type of road work already starting on Clements Rd., Supervisor Timm gave updates stating that the work that was seen being done was Kammel Custom Excavating marking elevations. Timm also stated that elevation markings would resume tomorrow, Wednesday, August 31, if there are no complaints after tonight's meeting. Lastly, Supervisor Timm stated the graveling process on the road would now begin on Tuesday September 6.

**Questions:** Questions regarding mapped layout of the road were answered by Surveyor Hilby. Supervisor Timm stated after this portion of the road is complete; the town can start to apply for Federal grants to try and help offset the cost of the next phase of the road. Timm stated the gravel process should take approx. 3-4 days to complete. Attorney Houlihan stated he would like to start negotiations with the 5 property owners that the town needs easements from; okay given by Chair Jacobs. Attorney Houlihan will meet, after the construction is complete, with property owners, that will be gaining land from this project.

Motion made by Timm/Jacobs to adjourn. **Motion** carried. Adjourned at 7:34 p.m.

Respectfully submitted,  
Jill Murphy
